AT TEFF 5 Nations Policy

This policy statement outlines AT TEFF approach to eligibility and selection of team to represent England in the 5 Nations competition.

The 5 Nations competition presents an opportunity for England to enter multiple teams to compete in an event fished to FIPS-Mouche rules. AT TEFF will use this opportunity to further develop current international anglers and anglers under the age of 30 who are showing potential to go to represent England in European and World teams in the future.

The team(s) will contain a balance of current or past performers in World or European competition, anglers with experience of representing England in Home Internationals river, bank or loch style competitions and young anglers who are showing potential and competing in rivers nationals plus one of either bank or loch style.

Basic minimum eligibility criteria will govern selection to the team(s)

1. Over age of 30

Must have minimum of 1 cap in either Rivers, Loch Style or Bank Home International plus current competitor in a minimum of one other National(different from the discipline they have achieved a cap).

2. Under age of 30

Must be competing in Rivers National plus either Loch Style National or Bank National

The 5 Nations manager will nominate team(s) to represent England in the forthcoming 5 Nations competition at the Team England Fly Fishing International Committee meeting at the start of the year. The manager will present the proposed selection to committee for scrutiny and approval.

Anglers selected to represent England in this competition will be awarded a cap however, this cap will not count towards eligibility or consideration for selection to World or European teams.
