## **5 Nations Fly Fishing Championships**

### **Stocks Fishery & River Ribble**

#### **19th & 20th July 2017**

**Team England Fly Fishing are inviting volunteers to support the forthcoming 5 Nations Fly Fishing Championships.**

Boatmen and controllers are required between 08.00—19.00 to control, measure and record fish during boat, bank and river sessions.

£35 per day is payable to cover expenses and lunch is included.

Accommodation is available at Waddow Hall at discounted rates and tickets are available for the gala dinner.

This is an ideal opportunity to watch international fly fishers on our home waters.
