The information contained in this spread sheet is prepared from the archived result sheets returned by the TEFF/ Angling Trust. No liability whatsoever is accepted by the Compiler or the TEFF/ Angling Trust for any errors or omissions that might be contained within. Should you have access to any of the missing information on a query, please email the Compiler with the details.

Table with columns for years (1975-2020) and rows for individual anglers (Walker Graham, Watson B, etc.) and a 'Number of rods' row at the bottom. The table contains numerical data representing scores or placements for each angler in each year.
