Beat B..... morning beat: Wensley Beat: Upper Limit, Lords Bridge: Downstream Limit, Upstream of Wisling wood

Beat A..... afternoon beat: Bolton Hall beat: Upper Limit, Downstream of Low Holm Wood: Downstream Limit, Lords Bridge. **Note Upper limit, Top of field, NOT IN WOOD**

Pre Draw for; morning fish & afternoon control; or morning control & afternoon fish.

Trout only; fish measured 20cm minimum. Scored as per National Final i.e. 20 point's each trout + 1 point per cm of length. Fish will be measured to 1 decimal point in case of a tie.

In the event of an odd number of places being awarded in the National Final, the odd numbered entrant will be the person on the day who achieved the highest % number of fish points in their session, after the even number of places has been shared equally between the Morning & Afternoon sessions. Similarly the reserve will be identified in the same way.

All other rules are as per attachment to entry form. Please read the Risk Assessment as this is part of your insurance cover.

The 2 Competition Beats will be closed on Saturday 6th April so as to rest the river & trout for the qualifier on the Sunday.
